

Turabian Style Citations (Notes-Bibliography Style)

This guide provides basic guidelines and examples for citing sources using *A Manual for Writers of Research Papers, Theses, and Dissertations*, 7th edition, by Kate L. Turabian.

Turabian style includes two options for citing sources: the notes-bibliography style and the author-date style. This guide covers the notes-bibliography style for writers who are using endnotes or footnotes as a means of giving attribution to their sources.

Newspapers
